CONSTITUTION

FOREWORD

The Kawan Pilipino Catholic Association of the University of California, Los Angeles is pleased to publish the *Second Edition of the Constitution of Kawan*.

Faith and fellowship have defined Catholic organizations at UCLA led by the communion of students, alumni, administrators, and clergy. Founded in 1919, the University Catholic Center (UCC), in association with UCLA through the Catholic Student Association (CathSA), is an office of the Archdiocese of Los Angeles and the hub of Catholic Bruin life at the #1 public university (at the time of writing) in the United States of America. Over the years, the UCC has fostered the development of student committees and interest groups (i.e., Student Leadership Team, Bible Study, Knights of Columbus, Bruins for Spiritual Care, etc) to advance community, preceding the conception of cultural Catholic organizations—like Muoi for the Vietnamese space and Maná for the Latino space—years later.

During the 2021–2022 academic year, the Co-Founders institutionalized an informal prayer and faith community at the UCC aimed at celebrating the rich Filipino traditions of Catholicism. In Winter 2022, this group formalized into an archdiocesan nonprofit at UCLA bearing the name, Kawan Pilipino Catholic Association. Grounded by the pillars of (i) Catholicism, (ii) culture, (iii) health, (iv) history, (v) piety, (vi) service, and (vii) spirituality, the Co-Founders of the Inaugural Executive Board authored the *First Edition of the Constitution of Kawan*, unanimously ratifying the vision that the Filipino Catholic community at UCLA:

- (1) *...is all-inclusive where members are invited to grow in their spiritual lives and understanding of Catholicism from a Pilipino scope.*
- (2) *...provides visibility of and support to the Catholic student population at and beyond UCLA.*
- (3) *...proactively educates peers about the history of Catholicism in the Philippines.*
- (4) *...invites and supports the inclusion of the non-religious.*

By adopting these statements, the completion of the UCLA Pilipino Catholic Association soon followed.

While still rather young, the Kawan Pilipino Catholic Association has already begun leaving a legacy guided by its mission. From the execution of the ‘First Annual Simbang Gabi’ to the many fellowship events—like general meetings, socials, and collaborations—rooted in Filipino culture, this association continues to play an active role in unifying the Filipino Catholic population and fostering communion between its general membership, the UCC student community, and Filipino Catholic organizations beyond the campus.

In endeavoring towards the vision, the Co-Founders—Chloe Alviz, Richard Olaso Baal, Gabriel Ordonez, Isabella Richards, and, later, Maximus Vardeleon and Kaela De Guzman—undertook the responsibility of consolidating this Kawan guiding document in January 2022.

FOUNDERS, INAUGURAL KAWAN EXECUTIVE BOARD
JANUARY 2022

We, the People of Kawan Pilipino Catholic Association at the University of California, Los Angeles, in order to serve as the official home for Filipino Catholic Bruins and friends of all backgrounds to celebrate and practice their Christian faith, provide visibility of the faith in the broader campus community, foster the learning of the faith in reference to our historic Filipino traditions, and advance fellowship with the non-practicing and non-religious, do establish and adopt this Constitution.
